Our mission

Since 2003, our mission has been to fight food insecurity among underprivileged children in the Capitale-Nationale region so that they can learn and succeed. One healthy meal at a time, we fight against malnutrition and inequalities while contributing to the academic success of tomorrow's youth.

We firmly believe that no child should go to school hungry. Hungry to Help has been preparing and providing nutritious food to students in 25 schools throughout the area for many years. Privacy is one of our most important values - we never disclose information about our service beneficiaries.

Because we believe strongly in our mission, 100% of the funds raised are used to prepare and distribute tasty and nutritious meals to students who do not have access to them. Every \$5 donation provides lunch for a child. We have no administrative or salary expenses; the Foundation operates solely on volunteers.

Our achievements

We frequently organize fundraising events in partnership with various organizations. Here are a few examples:

- Regional fundraising campaigns
- Fundraising and haircuts with Blades & Bourbon
- Collaboration with the Outaouais Festival
- Fundraising with the students of École Carrefour
- Collaboration with several community actors in the region
